

FROM THE FOOD SERVICES DIRECTOR

University Academy has requested a waiver of the June 30th, 2018 deadline for submitting a renewal application to receive CEP (Community Eligibility Provision) for the 2018-2019 school year and for 3 consecutive years following.

The purpose of this waiver request will allow University Academy to continue serving lunch free of cost to the parents of the students. Receiving this provision will be instrumental in serving healthy, no cost lunch options for this high poverty student population.

Any questions can be directed to the Food Services Director, Lauren Trionfante 216-583-5097 or ltrionfante@accelschools.com

Thank you.

Lauren Trionfante
